

Invitation to All Candidates Meeting in Cadboro Bay

Hosted by the Cadboro Bay Residents Association

November 16, 6 pm

**Cadboro Bay United Church
2625 Arbutus Road**

This is your opportunity to meet both the mayoral and councillor candidates. The successful candidates will be representing you for the next three years at Saanich municipal government. Do you know who they are and what they stand for?

It's a great opportunity to ask the questions and learn the positions of the candidates on the issues that matter most to you. You can chat informally with the candidates from 6:00 to 6:30 pm and again later in the evening.

Municipal government provides the services closest to us in our daily lives; some say it impacts the lives of Canadians more than any other level of government. Turnout at the last Saanich election was only 21% of the electorate; that means decisions are made by representatives elected by only the 20% of the populous who turned out to vote. Please vote and make your vote count to the maximum by being well informed.
